

Spočítaj, koľko je v srdiečkách dôb. Nezabudni, že polová nota s bodkou má 3 doby:

The image contains six rows of arithmetic problems. Each problem consists of musical notes inside pink hearts, connected by plus (+) and minus (-) signs, followed by an equals sign (=) and an empty square box for the answer. The notes are: quarter notes (1 beat), eighth notes (0.5 beat), dotted quarter notes (3 beats), and half notes (2 beats).

- Row 1: $2 + 2 + 2 - 3 - 1 = \square$
- Row 2: $4 - 2 + 4 - 2 = \square$
- Row 3: $1 + 2 - 2 + 1 + 1 = \square$
- Row 4: $4 - 1 - 1 = \square$
- Row 5: $2 + 3 - 4 + 2 = \square$
- Row 6: $4 - 1 - 2 + 1 + 2 = \square$

Riešenie:

$$2+2+2-3-1 = 2$$

$$4-2+4-2 = 4$$

$$1+2-2+1+1 = 3$$

$$4-1-1=2$$

$$2+3-4+2=3$$

$$4-1-2+1+2=4$$
